

Renert Rabbit
Gr 2-3
March 23, 2023

Name (Print): _____

Instructions:

1. Do not open this booklet until you are told by your teacher to begin.
2. Materials: pencil, paper — no other materials. NO calculators!
3. You will have exactly **40 minutes** to work on the contest.
4. This is a multiple-choice contest. Each question is followed by five possible answers marked A, B, C, D, and E. Only one of the options is correct. After making your choice, fill it in the appropriate circle on the response form.
5. This form has 7 questions in Part A, 7 questions in Part B, and 4 questions in Part C.
6. Scoring:
 - Each correct answer is worth:
 - 4 points in Part A,
 - 5 points in Part B,
 - 6 points in Part C.
 - Each unanswered question is worth 2 points.
 - Incorrect answers are worth 0 points.

Part A (4 points each)

1. The following graph shows the number of hours a Renert computer was used. On which day was the computer used the most?

- (A) Monday (B) Tuesday (C) Wednesday (D) Thursday (E) Friday
2. Renert Rabbit plants two carrots a day. How many carrots will he plant in five days?
- (A) 2 (B) 4 (C) 5 (D) 10 (E) 12
